

JANUARY 2006
COMMUNITY MEETING CALENDAR

Every month the Office of Community and Economic Development (OCED) hold a series of community meetings in low-to-moderate income neighborhoods throughout the County. These meetings allow the community to have input into activities as they relate to the planning and execution of Miami-Dade County's 5-year Consolidated Plan. The January meeting is being held strictly for the purpose of training the newly elected committees. No other business will be discussed during the training session.
